COLONEL THORNTON IS BEING URGED FOR JUDGESHIP

Glendale Entitled To Have Representation Upon Bench, Prominent Men Hold

Colonel Tom C. Thornton, 301 North Brand boulevard, is being very highly recommended for the appointment to one of the three new judgeships in the superior court of Los Angeles county.

Influential men of different political faiths are urging Governor William D. Stephens to appoint Colonel Thornton to the bench and there is every reason to believe that the prominent Glendale resident will receive the honor.

Incidentally, it is generally conceded that Glendale is entitled to have a judge on the superior bench of the county, and as Colonel Thornton is the only candidate for the nomination mentioned from this city, it is certain that the entire community would like to see him chosen by the governor.

Republicans and democrats alike are uniting to urge the appointment of Colonel Thornton and it is presumed that the governor will listen to their suggestions. If he does, it is certain that the Glendale attorney will be one of the three judges for Los Angeles county.

Send Wires to Governor
Many people, irrespective of political affiliations, are sending telegrams and letters to the governor urging the appointment of the local man.

W. E. Evans of Glendale, prominent in the republican party, has both written and written the governor, and Mattison B. Jones of the democratic party, also of Glendale, has done likewise. The same is true of a number of prominent men in Los Angeles. In view of the strong support given Colonel Thornton, it seems almost certain the governor will strengthen the superior court bench by making the appointment.

Following are the communications from Mr. Evans and Mr. Jones:

Los Angeles, Calif., June 9, 1921.
Honorable William D. Stephens, Governor State of California, Sacramento, California:

My Dear Governor Stephens: I have this day wired you as follows: "I understand Colonel Tom C. Thornton would like to be appointed to one of the new judgeships. I con-

June Building Hits \$150,000 Total Today; Year's Figure Grows

June building will come close to putting Glendale over the \$2,000,000 mark this year. If the present pace proceeds there seems to be no question but what all records will be shattered. Today the record for the month stands at \$150,000, and the year to date shows \$1,808,474.

Among the new buildings getting under way is a one-story and flat structure at 235 North Columbus avenue which is being erected by V. G. Barney. This undoubtedly means another neighborhood grocery. In the construction of a realty office at 1308 East Colorado boulevard is seen the development of a new residential tract by E. O. and R. F. Fitz. CARYL HURLBERT IS MORE THAN 200 AT WEDDED AT LARGE HOME SERVICE ANNUAL PICNIC OF READING CIRCLE

Bride Of Newell Vincent In Presence Of Many Guests; Ceremony Is Elaborate

One of the most beautiful and impressive wedding ceremonies of the season took place last night at the palatial home of Mr. and Mrs. E. C. Hurlbert of 348 West Park avenue, when their eldest daughter, Caryl Hurlbert, became the bride of Newell Vincent of Hollywood.

The elaborate event was conducted in a novel and uniquely solemn manner and was attended by eighty of the families and close friends of the well known young people.

The home was exquisitely decorated in pale blue and white, with an elegant and artistically arranged combination of white roses, gladiolas and smilax artistically appearing in various sections of the house. The bridal booth or arch was nothing less than the acme of perfection and was probably one of the most attractive and beautifully constructed. It was located between two large bay windows and consisted of a finely appointed bevy of greenery. Over the center of the booth hung a large wedding bell, which was made of a neatly arranged grouping of white roses and gladiolas. On each side of this stood a tastefully decorated blue electric lamp, the fervent glow from which furnished the only light in the room during the ceremony.

Musical Program Given

Prior to the wedding, which took place promptly at 9 o'clock, the assembled guests were entertained with a short and excellently rendered musical program consisting of a harp solo by Miss Vera Holbrook; a vocal selection, "O Promise Me," by Mrs. Grace O'Leary, and several piano selections by the bride's sister, Miss Alta Hurlbert.

The bridal procession was composed of three prettily gowned flower girls, Miss Marian Collard of Portland, Miss Jennie Dawley of Los Angeles and Miss Barbara Vincent, niece of the groom; the bridesmaids, Miss June Hurlbert and Miss Evalyn Henderson, and the maid of honor, who was Miss Grace Doughty of Hollywood. The bride herself wore a most becoming and exquisite dress of cream satin trimmed with princess lace, appearing as the typical sweet and lovely June bride.

Mr. and Mrs. Foster Have Luncheon Guests

A group of ladies who are members of Columbia Circle No. 24 of Los Angeles, an organization composed of the wives, mothers and daughters of Civil War veterans, were the luncheon guests yesterday of Mr. and Mrs. R. L. Foster of 635 East Orange Grove avenue. The Los Angeles circle is the largest in the United States. Red carnations and hydrangeas were used as floral decorations throughout the home of Mr. and Mrs. Foster.

Guests included Reverend C. R. Norton of Glendale, and the following from Los Angeles: Mesdames Boyd, Burris, Correll, Darnell, Haynes, Holmes, Marks, Mitchell, Nilsson, Pearson, Shark, E. Hamilton Crawford Is Victim Of Holdup Man

While walking along West Third street, Los Angeles, on Tuesday night, Hamilton Crawford, son of Mr. and Mrs. W. M. Crawford of 800 South Central avenue, was suddenly confronted by a man who, with revolver punching against young Crawford's ribs, demanded money. In the searching process that followed the hold-up man obtained \$10, but failed to find another five-dollar bill which his victim had concealed in another pocket.

The incident took place at 12:30 o'clock, just as the youth was emerging from the west end of the Third street tunnel. He had just completed his night's work at a newspaper plant and was on his way to Figueroa street to board the last Glendale car.

Patriotic Decorations Prove Feature; Number Of Talks Of Decided Interest

A most brilliant closing program of a very successful and profitable year followed the annual picnic of the Mutual Benefit Reading Circle, which was held yesterday at La Ramada, with over 200 members and friends in attendance.

It being the day after that set aside as flag day, decorations were in keeping with this occasion. The decoration committee, under the supervision of Mrs. A. M. Rowe, had arranged strings of red, white and blue crepe paper ribbons, which fluttered in the breezes under the pepper trees. Flags were in evidence everywhere throughout the park grounds.

The table decorations were very unique. In the center of the white-covered tables were stretched strips of red and blue crepe paper. Large bowls of red carnations and geraniums, white daisies and blue cornflowers further carried out the patriotic idea, as did also the clever little flower pots of white, from which the red geraniums grew. These were placed on dollies of blue crepe paper, and marked each place, in front of which also appeared the motto of the reading circle: "Seekers for Truth and Understanding and Wisdom, may we help and bless all those with whose lives we come in contact."

Special Guests Present

As favors head bands of red, white and blue striped crepe paper were given. At the guests' table tiny dolls, representing the goddess of liberty, were attached to the place cards. Here and there among the flowers was seen a miniature tent, from the top of which was flung a tiny flag.

Mrs. C. L. Viereck and her committee were in charge of the splendid lunch served, which consisted of salad, veal loaf, baked beans, olives, pickles, coffee and cake.

Special guests present included Mrs. H. R. Archibald, president of the first district P. T. A.; Mrs. H. G. Flint, patriotic chairman of the district.

STOCK TO BE SOLD TO CITIZENS FOR BUSINESS BLOCK

Local People Are Interested In Project; Banquet Room To Be One Feature

The Citizen's Building company has been formed and has held a number of meetings in the past few weeks, and has received a permit from the Commissioner of Corporations to sell \$30,000 worth of preferred stock, for the purpose of erecting a two-story store and office building on the property located two lots north of Harvard street on the east side of Brand boulevard. The building will be of the latest type to store and office building and will contain store rooms on the first floor and offices and a banquet room and kitchen on the second floor.

The officers and stockholders of the company are all Glendale citizens. They are: President, E. U. Emery; vice-president, J. G. Huntley; secretary, James M. Rhoades; treasurer, C. C. Cooper, and Roy L. Kent, C. D. Lusby and W. G. Lauderdale are directors.

Place for Meetings

The need of a centrally located building wherein banquets and meetings of local organizations can be held has been long felt by many citizens of Glendale. It is expected that the Chamber of Commerce will occupy the front offices of the second floor and will use the banquet room for holding of their meetings and banquets, as well as other organizations in the city.

The Chamber of Commerce is not building the building and has no interest in it other than to have a suitable meeting place, rest room and display of Glendale industries. The stock to be sold is 3 per cent cumulative preferred stock which means that 8 per cent dividends will be paid semi-annually each year and before any dividends are declared on any other stock. There is no bonus stock or commission for selling of the stock, and no common stock has been issued.

Requests for store and office space have already exceeded the amount that can be supplied by the building.

Subscription for Stock

Attorney Owen C. Emery has been engaged to incorporate the company and he states that "subscriptions for stock will open today and will close (Continued on Page 3.)"

ORIGINAL IDEAS IN HARROWER HOME MAKE COMFORT

Charm Of Hospitality Shows
In Design; Unique Features
Add To Attractiveness

Dr. and Mrs. Henry R. Harrower
and daughter, Miss Verna, are now
domiciled in their beautiful new
home hidden away in the orange
grove at 1516 East Broadway. It is
unpretentious. Mrs. Harrower says
so herself and she designed this mod-
ern, eight-room bungalow which re-
sembles an Italian villa.

However, it is not in the simpli-
city of appearance that makes it wor-
thy of description, but the several
original ideas incorporated into this
house. One row of orange-trees and
a cobblestone fence at the front hide
the sunken garden with its rustic
bridge and granite driveways leading
to the mansion in disguise.

Charm of Hospitality
The broad portico porch has the
charm of hospitality which is radiat-
ed by the three front rooms which
open into one by the means of slid-
ing doors. The big windows, too,
all plate-glass of six and nine-foot
lengths, make for a cheery place,
while the sun room to the rear of
the living room carries out the same
theme of light. Red gum of walnut
color is used in the woodwork of the
front rooms while the three bed-
rooms are done in old ivory and the
kitchen and bath in white enamel.

Among the many unique features
of the Harrower home is a T-shaped
hall which eliminates the necessity
of passing through rooms to get to
any other in the house.

No Space Is Wasted
The library has a window seat
with book shelves underneath; the
sunroom is a den and spare bedroom
combined; at the rear there is a
patio overlooking Glendale; a stair-
way leads to the roof; a large cellar
contains the gas hot air furnace; and
the dressing room adjoining the
bath is a combination linen closet
and sewing room.

According to Mrs. Harrower, no
space is wasted in the house and al-
though architects scoffed at many of
her ideas as impossible, she has
successfully incorporated them into
a dream home which will soon be
ready for the entertainment of the
family's friends.

Two Meetings Will Be Held By C. Of C.

Two meetings under the auspices
of the Chamber of Commerce are
called for tomorrow night.

The first and largest will be called
at 7:45 o'clock in the council cham-
ber of the city hall at which time a
campaign of education favorable to
the park bonds to be voted on June
28 will be taken up. This issue in-
cludes a swimming pool which is con-
sidered a necessity. Ten representa-
tives of various organizations in the
city are invited to attend.

The other meeting will be the spe-
cial entertainment committee of
seventy-five which will be held at
the Chamber of Commerce rooms
with Attorney James F. McBryde,
chairman, presiding. Plans will be
laid for the entertainment of the
Christian Endeavor throngs which
will begin arriving here the middle
of next week for the state conven-
tion, June 25 to 29.

Austin Dilts Given Surprise By Friends

Austin Dilts of 331 Doran street
was very agreeably surprised last
night by a party of neighbors and
friends when they dropped in on him
to spend the evening. The affair
was in honor of his birthday and
consisted of a chicken dinner, which
was followed by cards and music.

The house was very beautifully
decorated in flowers and fern and
Mr. Dilts was presented with two
lovely birthday cakes, one decorated
in candles and which he had the hon-
or of cutting.

The guests included Mr. and Mrs.
John Mason and son Leon of Long
Beach, Mr. and Mrs. H. B. Gardner,
Mr. Hale, Miss Winkler, Miss L. Dix
and Mrs. Elizabeth Redlon.

Mr. Dilts was certainly surprised
and they had a very enjoyable time.

Alpha Omega Class Has Business Session

The Alpha Omega class of the
Central Christian church held a
short business meeting last night at
the church bungalow. There were
about ten girls present and many
plans were discussed. There is a
contest on between the "Live-Cole"
class of which Rev. Cole is teacher,
and the "Alpha Omega" class, Mrs.
Musser being the teacher, for the
largest and most regular attendance.
Plans were discussed for bringing
new members into the class and for
raising money to furnish their room
in the new church. The meeting ad-
journed at an early hour.

Locals And Personals

Mrs. Florence Smith of 457 Pio-
neer Drive is visiting with friends at
Garden Grove, Orange county. She
will return to Glendale this week.

Mr. and Mrs. J. Kitts of 449 Pio-
neer Drive returned yesterday after-
noon from a motor trip to San Fran-
cisco. They were gone about ten

rence Smith, 457 Pioneer Drive. Mr.

daughter, Emma Laura of 320 North
Central avenue, accompanied by Mr.
and Mrs. Charles B. Guthrie and

time. Mr. Guthrie found some time
for trout fishing and Mr. Cooper for
wood chopping. Aside from that
very little "work" was done.

A dinner party will be given this
evening at the home of Dr. and Mrs.
C. G. Farrow of 214 West Doran
street in honor of the graduation of
their son, C. G. Farrow, Jr., from

Robinson, also for Mrs. J. E. Os-
borne, Mr. and Mrs. J. R. Osborne of
Los Angeles, Miss Alice Farrow and
Miss Virginia Farrow.

STOCK TO BE SOLD TO CITIZENS FOR BUSINESS BLOCK

Local People Are Interested
In Project; Banquet Room
To Be One Feature

(Continued from Page 1)
on July 1st. The company confi-
dently believes that the citizens of
Glendale are interested in any ven-
ture which will add beautiful build-
ings to the business center of the city
and at the same time yield the in-
vestor a good profit and therefore
the board of directors have ordered
that during the period of subscription
not more than ten shares can be sold
to any one person. This stock will
sell at its par value of \$50.

Mr. Emory also states that Roy L.
Kent company has been engaged as
the architect and the contract for the
construction of the building will be
let in the near future.

The exterior of this building will
be mostly glass on the ground floor
and will be very artistic, and it
should add another beautiful build-
ing to Glendale's business district.

Musicians Place High Value On Their Hands

Professional musicians place a
high value on their hands, as indi-
cated by the amount of insurance
they carry against accident. Miss
Antoinette Zoellner, the violinist of
the Zoellner quartet, which appears
here Friday night, June 24, at the
Christian Endeavor auditorium, car-
ries a policy of \$10,000 on each of
her hands. Her brother, Aman-
dus, who also plays the violin, carries
a similar amount, as do the other
members of the quartet. This is a
comparatively small sum considering
their earnings.

An interesting fact about the
Zoellners and what is a surprise to
many is their diversity of talents.
Antoinette Zoellner, the first violin-
ist, is an accomplished singer; Jos-
eph, Jr., who plays the cello, a pian-
ist, being a prize pupil on the key-
board of the Royal Conservatory of
Brussels, and Joseph Zoellner, Sr.,
the father, a literary and expert an-
gler, while Amandus Zoellner is an
artist with the brush.

They appear here in conjunction
with Orpheus club of sixty voices,
directed by Joseph Dupuy. Tickets

FIVE DEAD, THIRTY HURT RESULT OF TRAIN WRECK

Northern Passenger Train Goes
Into Water When Bridge
Suddenly Collapses

OMAHA, June 16.—Latest reports
of the wreck of Northwestern passen-
ger train No. 606, two miles east of
Crawford, Neb., late Wednesday
night, are that the body of an un-
identified man was removed from
one of the three submerged coaches
early today, increasing the death toll
to five.

Four persons are reported to have
died while being rushed to a hospital
at Hot Springs, S. D. At least thirty
are known to have been seriously in-
jured.

Rescue workers expressed the be-
lief that many more bodies would be
found when the water recedes so that
the cars may be thoroughly searched.
The flood waters in the vicinity of
the accident are slowly receding, ac-
cording to reports received here.
Three coaches of the train were
hurled into the rushing waters of Big
Cottonwood creek when the steel
bridge over the stream collapsed.

The known dead are:
Frank Bosnard, Lander, Wyo.
F. M. Stewart, Gordon, Neb., sales-
man

R. C. Scott, Chadron, Neb., bag-
gageman.

C. M. Scott, Grand Island, Neb.
A partial list of the injured in-
cludes:

J. W. Finnegan, Casper, Wyo.,
conductor.

D. G. Roberts, Chadron, brake-
man.

George G. Dukeat, Denver.

W. L. Lessler, San Francisco.

Estimates on the dead run from
twenty to fifty. Many persons have
not been accounted for.

Hampered by the rushing waters
of the creek, swollen to the flood
stage by flood waters that have been
destroying thousands of dollars' worth
of property throughout the north-
western section of the state for the
last three days, work of rescue was
impossible until early this morn-
ing.

Relief trains, loaded down with
physicians, nurses, divers and rescue
volunteers, arrived at the scene of
the wreck at daybreak. The dead
were removed to Chadron, Neb.

The injured were rushed to a hos-
pital at Hot Springs, South Dakota.

The Pullman, smoker and chair
car went completely under the water
with the bridge at 5 a. m. The num-
ber of dead and injured is unknown.
The flood is so high that it is dif-
ficult to reach the survivors.

Rescue Workers Helpless

The heaviest loss of life is believed
to have occurred among passengers
in the smoker and one of the day
coaches. One Pullman is reported
hanging precariously on the left
bank of the creek and is liable to
plunge into the surging waters at
any moment. All passengers in this
car are said to have escaped.

The long steel bridge over the
creek had been weakened by the re-
cent flood water, according to rail-
road officials here.

Rescue workers are helpless ac-
cording to word received here. Drag-
ging and diving for bodies believed
to be imprisoned in the submerged
coaches is impossible because of the
strong current of the creek, dis-
patches said.

COLONEL THORNTON IS BEING URGED FOR JUDGESHIP

Glendale Entitled To Have Representation Upon Bench, Prominent Men Hold

(Continued From Page 1.)

Which I now confirm. I have known Colonel Thornton for a number of years, and believe that he is well qualified to fill the position on the superior court bench. He is a lawyer of many years' experience, is broad-minded, fair and possessed of a judicial temperament. I believe that his appointment would meet with the approval of the bar and people of Los Angeles county generally."

If you can see your way clear to honor him to one of these positions I will consider it a personal favor. With kindest personal regards and best wishes, I am,
Sincerely yours,
W. E. EVANS.
Los Angeles, Calif., June 9, 1921.
Honorable William D. Stephens, Governor State of California, Sacramento, California:

My Dear Governor Stephens: This is to confirm my telegram this day sent you: "I heartily recommend Colonel Tom C. Thornton for new judgeship. Letter follows."

Colonel Thornton is so well equipped for the position of judge on our superior court that his appointment would be a great honor to yourself and a great service to the people of this county. He does not seek the position for its financial returns, but as an opportunity to round up a long and distinguished record as a lawyer. He was a distinguished lawyer in Texas before he came to California, and since coming here he has maintained a distinguished reputation in the practice. He has many friends who would like to see him on our bench. As a member of the bar I would like to see him given the honor of this exalted position. It is needless for me to add that I know you know that I am deeply interested in adding strength to our superior court bench.

Please accept assurances of my highest personal esteem.
Very sincerely yours,
MATTISON B. JONES.

Place Greater Guard About Nevada's Mines

ELY, Nev.—An additional force of guards has been thrown around the gold mines here as a result of the theft of a large quantity of dynamite from one of the mining companies at Tonopah. Similar measures have been taken at Tonopah.

The authorities throughout Nevada have been stirred by the theft as they fear it presages some L. W. W. or other anarchistic outrage.

The sheriff's forces and the police are conducting a rigid investigation in an effort to trace the huge quantity of missing explosives.

It is understood that the lock on the magazine containing the stolen dynamite was broken, and that the raiders proceeded to help themselves. There were several men implicated, it is believed.

A close watch is being kept and if the looters are found heavy punishment is predicted for them.

Co-operation Is Urged Of Farm And Laborer

DENVER, Colo., June 16.—Active co-operation of the farmer and laborer toward attaining common objectives was brought closer at the meeting of the American Federation of Labor.

The delegates warmly received a message from Benjamin C. Marsh, secretary of the Farmers' National Council, telling of benefits to be gained by co-operation of the worker and farmer.

Resolutions presented to the convention also provided for working out details of a program to unite the efforts of the working man with the farmer. Before the convention adjourns some definite action toward working out the program will undoubtedly be taken.

Marsh's message stated the farmers and workers must unite to "achieve ideals of economic, industrial and agricultural, as well as political freedom."

He declared the farmers would be "glad to join hands with labor to stop control of our national resources, shipping, banks and credit systems by a clique of investment bankers and selfish, un-American citizens of great wealth."

The farmers and laborers, working together, should obtain "an honest tax system" and procure legislation for control of meat packers, Marsh stated.

The message warned the workers' representatives against the "false spokesmen of the farmers who denounce getting together of farmers and workers."

The convention held only a short session today, due to committees working, and then adjourned until tomorrow.

Speaking, appealing for assistance for various charitable organizations and asking for the backing of the labor movement and funds were heard.

Chain Of Banks For Farmers Considered

WASHINGTON, D. C., June 16.—Establishment of a chain of co-operative agricultural banks, making a direct financial connection between every farm state, now is being studied by the national board of farm organizations, Secretary Chas. Lyman announced.

Representatives of two million farmers affiliated with the board will hold a series of conferences here to decide whether an attempt shall be made to organize and set up the banks.

Pamphlets describing the need of the nation's six million farmers for a financial organization of their own now are being circulated throughout the country by the national board. The pamphlets also are being forwarded to all members of congress.

With a chain of private agricultural banks in operation, farmers never would be forced to sell crops at a sacrifice because of inability of obtaining loans with which to carry them, officials of the board say.

"The force of the financial power controlled by the nation's farmers can be appreciated," said Secretary Lyman today, "when government reports are studied. These show that one-half of the total credit resources of all the national banks in the country are placed therein by farmers."

"Despite this fact, farmers for months have found it almost impossible to obtain loans adequate to carry on their business."

Homeless Ones Placed By Native Daughters

SAN FRANCISCO, June 16.—Nineteen hundred eighty-seven childrenless homes have been brightened by the adoption of some homeless child through the efforts of the Native Daughters of the Golden West, according to a report prepared for submission to the grand parlor in session here.

The report covers the care of homeless children, which is one of the chief branches of the order's work. Two hundred eight children have been placed in homes during the last twelve months, the report will show.

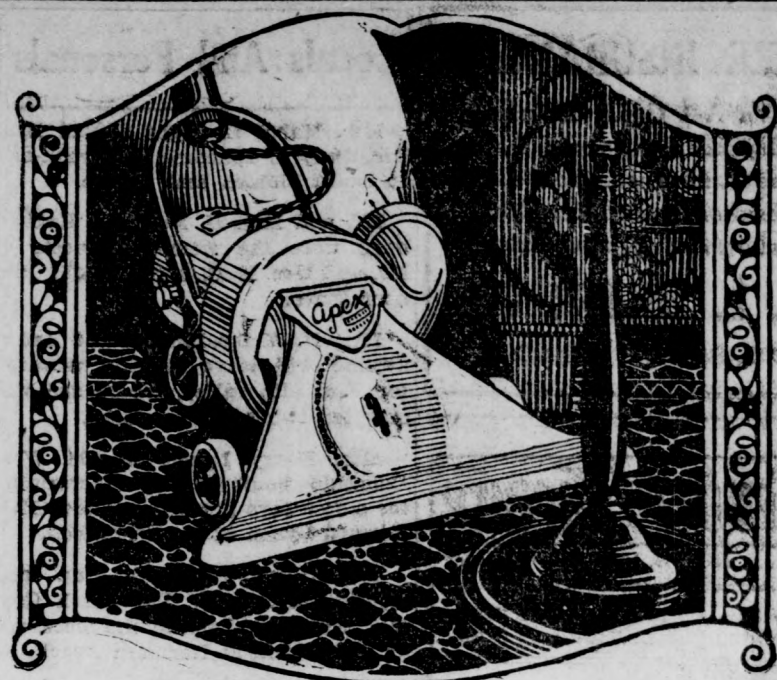

Senator Johnson Will Press Mine Measure

WASHINGTON, D. C., June 16.—Senator Johnson, California, will make another effort to have the senate adopt his resolution for investigation of the West Virginia mine war, he declared. Johnson received a telegram from Frank Morrison, secretary of the American Federation of Labor containing a resolution in support of the investigation, adopted by the federation convention at Denver.

Peggy Joyce Answered In Alimony Hearing

CHICAGO, June 16.—Peggy Joyce, beautiful show girl, was branded as an "infamous liar" by her third millionaire husband in court. The husband, J. Stanley Joyce, speaking through Alfred Austrian, his counsel, answered Peggy's arguments for \$10,000 a month alimony.

"Give this woman the alimony she asks and it will be a message to women of the country that adultery pays," Austrian told Judge Sabbath.

MORE THAN 200 AT ANNUAL PICNIC OF READING CIRCLE

**Patriotic Decorations Prove

(Continued From Page 1.)
trict; Mrs. E. D. Wycoff of San Gabriel; Mrs. A. A. Barton, president of the Mutual Benefit Reading Circle; Mrs. C. H. Pendleton, Mrs. C. H. Crawford, Mrs. H. V. Henry, Mrs. Hartley Shaw, Richardson D. White and George U. Moysé.

The program for the afternoon was in charge of Mrs. H. V. Henry, and was opened by her with a short talk on the history of the reading circle, which was founded five years ago by Mrs. Charles H. Toll, who is referred to as the mother of the circle, and Mrs. A. A. Barton, the present president, as the foster mother. She also read a greeting from Mrs. Toll, who was unable to be present.

Toasts Are Given
Mrs. Henry's talk was followed by toasts from the following:
Mrs. A. A. Barton, whose topic was "The Foster Mother," and who stated that the aims of the circle being that of the foster mother—

Faithfulness,
Optimism,
Sincerity,
Temperance,
Efficiency,
Resoluteness.

Mrs. Barton was presented a beautiful bouquet as a token of the esteem with which she is held by all of the members of the circle.

Richardson D. White, superintendent of schools, responded to the introduction to the circle as "big brother." He commended the circle on its excellent work. G. U. Moysé was the next speaker, and told of some of the problems of the mothers of high school students, and urged their co-operation in this respect. He also urged that they do not put all of the responsibility of doing the things which should be done by those in the homes. He emphasized the importance of parents keeping in touch with the children, both in their school activities and in their spare hours.

Hold Community Sing
Mrs. H. R. Archibald, president of the first district, was the next speaker. The theme of her talk was "The Development of the Well-Rounded Character."

A note was read from Mrs. R. T. Burr, who has been quite ill for some time and was unable to be present.
The members present then joined in a community sing, led by Mrs. Charles A. Parker, with Mrs. J. A. Wright at the piano. All entered heartily in the singing of "America," "Old Black Joe" and "Dixie."

Mrs. Donald A. Magill gave a group of three very delightful readings. Mrs. J. Reeves Darling next presented a group of three songs, her selections being "A Little Dutch Garden," "In the Time of Roses," and "A Lullaby."

The next number on the program was a very interesting talk on "Practical Patriotism," by Mrs. H. G. Flint, district chairman of patriotism. Mrs. Flint urged a more universal observance of flag day. She also emphasized the importance of instilling patriotism in the minds of children, even teaching them to love the colors of the flag when they are infants, urging the placing of flags in the rooms of the young people and teaching them to respect and love it. Mrs. Flint also stated that people should show their patriotism in their daily lives. She ended her speech by leading the members in a salute to the flag.

Mrs. Viereck then demonstrated her ability as a singer to be equally as proficient as that of a planner of picnic lunches.
Mrs. C. H. Crawford then read a very humorous selection from "Preston's Growing Up."

The afternoon's program was closed by all singing "America."

Conspiracy Is Charge As Contracts Broken

WASHINGTON, D. C., June 16.—President Harding, on recommendation of Attorney General Daugherty, has declared contracts entered into by the war department under Secretary of War Baker with the United States Harness company null and void. Secretary of War Weeks announced. The contracts with the harness company involved many millions of dollars worth of surplus harness held by the war department. "The facts developed by the attorney general," stated a memorandum sent to Weeks today by Assistant Secretary of War Wainwright, "led him to the conclusion that these contracts had been entered into as a result of a conspiracy on the part of certain former temporary officers of the army to secure these contracts or the control of the large stocks on hand for their own benefit." The announcement closely followed Daugherty's announcement that he would begin prosecution of profiteers in war contracts.

Peppy Paragraphs Put Into Local Circulation By Will Rogers, Roper

Speaking of benefits, Will Rogers, who used to spin yarns and ropes in New York for a living, appeared here last night for the American legion sick fund and among other things he said:

The last benefit I played was for the poor golfers of Pasadena.

Benefits, I have played all sorts of benefits. One in New York was for a statue of liberty for Russia.

The only other benefits I am going to play—other than for children and soldiers—will be for actors who can't pay their income tax.

Who would expect Doug to keep Mary on \$1000 a year. That's all the government allows for a wife.

Chaplin stopped work a year and then when he did make a picture he said: "Don't pay me until they cut down the income tax."

They say congress is going to do something this fall for the war veterans. I'm sorry to hear that. It means a late fall. You know this nation was last in war, last in peace and it will be last to do anything for its disabled soldiers.

I hear they're going to give farms to all you veterans, but when they do you'll be too old to tend them.

Wouldn't it have been wonderful if we could have taken the six sons of the kaiser and locked them up in a room with the three sons of Colonel Roosevelt. There wouldn't have been anything left but some beer-stained uniforms when those Roosevelt boys got out of that room.

I have only one distinction in being known as a motion picture star. That is, I have the same wife I originally started out with.

Free Summer Outing Promised To Veterans

SAN FRANCISCO, June 16.—All federal vocational board trainees will be given a free summer outing if they desire to take it, according to an announcement made here by John Henry Whyte of the board. Veterans receiving disability treatment will also be eligible.

The announcement was made at the close of a two-day session of the three federal boards for this district, which includes California, Nevada and Arizona. The boards have been merged following the recent order of General "Hell and Mariah" Dawes, appointed by President Harding to see that all red tape in aiding disabled veterans was cut.

A summer camp at Huntington lake, in the Sierras back of Fresno, will be maintained from July 4 to August 20. The altitude of the lake is 7000 and the scenery beautiful. Army tents will be used for the camp. Recreation, sports and amusements will be the order of the day. This work will be in charge of Miss Virginia McMeichen of the federal board. A corps of nurses will be stationed at the camp under the direction of Mrs. Maude Elizabeth Gibson.

The meeting of the three boards, the vocational training board, the public health service and the war risk insurance board, closed last night with addresses by Dr. S. C. Buck and Dr. R. H. Carter. "Our future policy is going to be how quickly can we put men into training and how many ways can we train them?" the physicians stated.

Western Shoe Chiefs Decide Upon Styles

SAN FRANCISCO, June 16.—The shorter the skirt, the lower the shoe—that seemed to be the keynote followed by western shoe men in session here today, in setting fall and winter shoe styles.

Fancy little slippers with nifty French heels and all sorts of novelties will vie for attractiveness with sheer hosiery revealed by the uplifting of hems.

But oxfords will be popular and adaptations of the old Roman sandals will be quite the proper thing. Black kid, brown kid, black satin, colored suede and patent leather will dominate as to colors and finishes. Ornaments, over gaiters and spats will be worn by girls of the golden west. As to mere man—well, the shoe men took a cruel thrust at him. They decided that light brown will be the real stylish thing and frankly said they favored that style because it removed the temptation to wear street shoes at formal functions and the men would be forced to buy a pair of black shoes.

S. F. Marine Engineers Oppose Offered Terms

SAN FRANCISCO, June 16.—San Francisco marine engineers today were on record as opposed to the settlement of the marine strike on the terms accepted by their national representatives. At a meeting they voted to protest against the agreement and to demand the resignation of President W. S. Brown of the national organization if he attempted to carry out the settlement.

ALL-STAR NUMBERS 'GO OVER' BIG AT LEGION BENEFIT

**Stage And Screen World Aid
Sick Fund By Presenting
Very Pleasing Program**

Will Rogers walked onto the Palace Grand stage last night, faced the throng that was there for the American legion sick fund benefit, and then 800 people yelled. He kept them yelling for twenty minutes with his droll humor. And after he got through they called him back three times, for Will is a favorite wherever he goes.

And when it comes to ovations, Jack Gardner and Louise Dresser, residents of Mountain street when not on the Orpheum or Keith circuit, won a glad hand from the home folks. They earned it, for never had their performance been better. "A Cello Fellow," the opening song by Mr. Gardner, got everyone in tune with the numbers to follow. Miss Dresser told stories of little friends in Mt. Vernon, N. Y., sang about "Worrying What People Say," and the act closed with "The Alphabet of Melody," one of the cleverest creations one would want to hear.

Charley Murray There
All the while Charley Murray, film funster, was acting as manager of ceremonies, and with "Slim" Summerville, he staged an impromptu piano movers act. To Murray's ability as a speaker, the program seemed to have no gaps and the stage was efficiently handled by Harold Phillips and assistants. Russell I. Hull arranged for the numbers, which were practically all presented as advertised.

Madame Constance Balfour, soprano; Morris Stoloff, violin, and Miss Esther Rhodes, harp, provided the musical treat of the evening. Mr. Stoloff, accompanied by Miss Rhodes, first playing "Serenade Espagnole," by Chaminade-Kriessler. The harp and violin make a happy combination and Miss Rhodes' sympathetic attitude to Mr. Stoloff's mastery of the violin earned great applause. Madame Balfour then sang "The Star," and to simply say that her singing is inspirational probably tells the story best, Miss Rhodes' playing of Debussy's "Arabesque" was superb, for she is such a little star, while "Ave Maria," an ensemble number, concluded the delightful offering.

Dancers Win Applause
The McAdam dancers from the Normal School of Dancing in Los Angeles proved pleasing, little Dorothy Ward and Katherine Flakes doing the "Flirtation" and "Coquette" numbers in a cute manner that won hearty applause. The "Firefly" trio was given by the Misses Jane Anderson, Roberta Wells and Rosalie Henry, who also closed the number with a classic "Spring Dance." Miss Leva Brown did a "Fantasie" solo and Miss Roberta Wells whistled.

Showing a musical education and versatility worthy of comment, Sonia Zariova, Gregory W. Galubeff and Alexander N. Ivanoff sang and played with the balalaika, guitar and mandolin as their chosen instruments.

"Way Down in Old Georgia" and a "nut" dance were Dot Farley's clever contributions, while Norma Gray, soloist, sang several original numbers. Jane Crawley told rube stories and Margaret Cullington with Charlie McHugh presented an act from "Bringing Up Father."

Prior to the show the American legion band provided an excellent concert and the Palace Grand orchestra kept things moving during the entertainment. Indeed it was a great show and the committee which put it over consists of Dr. G. Kaemerling, chairman; Gordon Clayton, Dr. Nicolas, Robert Plume, Gil A. Cowan, W. B. Kelley and T. D. Watson.

Harry St. Clair Host To Y. M. C. A. Meeting

About ten Y. M. C. A. boys met last night at the home of Harry St. Clair, 1250 South Maryland avenue for their closing meeting. It was under the leadership of Mr. Wilcox. The boys were entertained by Sergeant Root, who spent a great deal of time in France during the war. He gave an illustrated lecture on X-ray and the plans of application and the various forms of electricity in general and its uses, which proved very interesting. The first part of the evening was devoted to Bible work and the lecture came later. Of course they had some "good eats" and it proved to be a very interesting evening.

Watching Scoreboard

Yesterday's hero—"Burly" Grimes of Brooklyn. He pitched excellent ball against Pittsburgh and his hits drove in three runs to spell a 7 to 3 victory.

The Giants and Cubs displayed a twelve-reel thrill in which the slickers from New York overcame the Chicagoans, 6 to 2. Vaughn pitched all the way for the Cubs.
"Tiny" Dick Kerr, Chicago, slung the Yanks, 7 to 2. Ruth didn't.
Oeschger's airtight pitching gave Boston a 3 to 0 shutout over the Cardinals.

Cincinnati revived the art of bunting hits. A cluster of three wallbats helped the Reds beat the Phillies, 4 to 1. The Indians were not bragging today. They barely escaped from the Athletics with a 6 to 5 victory in eleven innings.
It was a close one at Washington, too, where the Senators copped from the Browns, 7 to 5.
Home runs, Hoffman, Yanks; Flack, Chicago Cubs.

San Francisco and Sacramento failed to make much progress yesterday towards deciding the argument between them as to Coast league leadership.
Both teams lost. Seattle beat San Francisco 6 to 4, and Oakland beat Sacramento, 5 to 4.
Vernon had a nice afternoon, beating Salt Lake 11 to 2. Los Angeles won a 5 to 1 game from Portland.

Vaudeville Bill At Palace Grand Tonight

With five acts of Marcus Loew vaudeville featured at today's showing, the Palace Grand presents its biggest drawing card of the season. The same bill that plays from New York to San Francisco is now to be seen in Glendale in conjunction with the regular film program and complete orchestration.

The swimming carnival scenes of "Two Weeks With Pay," the photoplay feature today and tomorrow, set the pleasant summer vacation tempo of this story which deals with a young salesgirl who takes her "two weeks with pay" at a fashionable summer resort where she is mistaken for a famous screen star known as the "Diving Venus."

Circumstances make it necessary for the shop girl to assume the character of the actress, and immediately she is enmeshed in a most bewildering set of complications—not the least being the necessity of doing a high dive for which she is not in the least qualified.

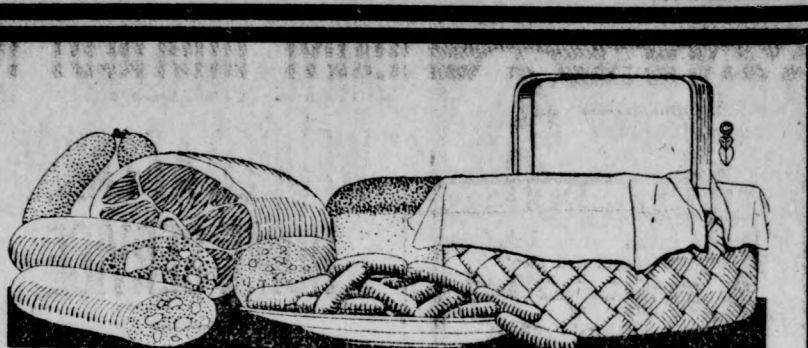

Bebe Daniels, the Reelstar star, is the heroine of this lively comedy.

Plenty Of Advertising Result Of Convention

While the publicity committee is doing much in the way of advertising the coming Christian Endeavor convention, the Pacific Electric adds to the campaign by having 100 streamers placed on the sides of all of its Glendale-bound cars for the next two weeks and 10,000 handbills will be hung in the cars of the red line.

Never has Glendale gotten so much favorable publicity at so little a cost—and the end is not yet. The personal opinion of the thousands of impressionistic young people attending the convention will be worth thousands upon thousands of dollars.

The main strength of the United States navy should be in the Pacific, where this country will be attacked, should another war come, involving the United States.

CARYL HURLBERT IS WEDDED AT LARGE HOME SERVICE

Bride Of Newell Vincent In Presence Of Many Guests; Ceremony Is Elaborate

(Continued from Page One)
The groom's best man was his brother, Melvin Vincent, while the two bridesmaids' attendants were brothers of the bride, Harold and Russell Hurlbert.
The ceremony was solemnly enacted by Rev. Clyde Shepherd of Pomona, former pastor of the First Congregational church of Hollywood.

Wedding Feast Follows
Immediately following the marriage the guests assembled around several long and excellently appointed tables which had been placed on the spacious lawn surrounding the Hurlbert home. Here they were permitted to enjoy a delicious four-course wedding feast, served by Mrs. J. C. Thomas and her assisting caterers of the White Inn. It was during this feast that the bride and groom-elect cleverly outwitted a number of their mischievously inclined friends, evading them and leaving for "parts unknown."
The newlywed couple will spend a two-months' honeymoon in Berkeley and Yosemite, after which they will return to Glendale to make their home. Both are popular and well known throughout Glendale's young society circle, and the news that they will reside in this city is looked forward to with pleasure.

Mr. and Mrs. Vincent are former high school sweethearts, having become acquainted six years ago while attending the Hollywood high school. Mrs. Vincent graduated from that institution in June, 1918.

H. M. Doll Arrives At Yosemite Valley

Word has been received from H. M. Doll of South Louise street, who is spending a two weeks' vacation at Yosemite, that the trip was made without a mishap and in remarkable time. The party, which includes Mr. and Mrs. Doll, Mrs. Doll's mother, Mrs. C. M. Huesman, and Marcellus Doll, left Glendale last week, via automobile, going north by way of the valley route. They expect to leave the latter part of this week and arrive in Glendale some time Sunday.

The next meeting of the club will be the third Wednesday in July at the home of Mrs. G. N. Ball, 516 North Central avenue.

In Southern California

Many Shots Are Fired
Following a spectacular chase through the streets in the fashionable Westlake district of Los Angeles early today, two men were arrested on suspicion of burglary charges only after many shots had been fired and the entire neighborhood aroused. Police declare the men robbed a West Seventh street restaurant.

Six Persons Are Injured
Six persons were injured, three seriously, in a series of automobile accidents which occurred simultaneously in various sections of Los Angeles about 8 a. m. today.
Police Officer John S. King and two other men who were riding with him were seriously injured when a tire on King's automobile blew out, the machine leaping the curb and crashing into a tree on Redondo boulevard.

Mrs. Marie Toledo was injured when two machines collided at Pico and San Pedro streets. She was walking on the sidewalk when one of the machines jumped the curbing and struck her down.
Arthur Moore of Watts was dragged seventy-five feet when he was struck by a motor policeman who was chasing a speeder at Sixth street and Burlington avenue. An artery in his right hand was severed.
Manuel Caria suffered numerous cuts and bruises when struck by a machine at Eighth and San Pedro streets.

Reject Offers of Rail Cut
California citrus growers have rejected the offers of a rail rate cut if they would reject the ships which have come to their aid in fighting monopolistic shipping charges. However, new negotiations are under way and it may be that both the rail and steamer lines will compete for the business.

Watts Row Over German Names
The recall has been invoked in a street row over German names at Watts. Won't somebody declare peace somewhere, especially in Watts? The streets were renamed in honor of war heroes, but somebody likes the names of 1914 which were Ruoff and Shorb.

Henderson to Direct Athletics
Elmer C. Henderson has signed a six-year contract to act as director of athletics of the University of Southern California, it was learned today. He has been football coach at U. S. C. since 1919.

Sham Battle To Be Staged
The battleships New Mexico, Idaho and Mississippi will be the targets of fifty torpedo boat destroyers and twelve seaplanes in a sham battle to be staged today twenty-five miles off the San Pedro breakwater. Tin-tipped torpedoes will be used for the first time by the Pacific fleet in today's maneuvers. Naval authorities declare many thousands of dollars will be saved by this invention.

Olin M. Wilson Is In Efficiency Bureau

Friends of Olin M. Wilson of 427 West Oak street will be pleased to hear of his recent business venture, in which he has become senior partner in the Office Efficiency bureau of Los Angeles. The concern is one of the largest office employment agencies in the southwest. The headquarters of the establishment are located in the Homer Laughlin building.

Mr. Wilson is one of Glendale's well known and popular young men, having lived here intermittently for about six years. After graduating from the local high school in 1917 he accepted a position with the Santa Fe railway company and was transferred from Los Angeles. In 1918 he enlisted in the army at San Francisco and after spending fourteen months in the service, both in France and in this country, he again took up his duties with the railroad company.

Several months ago he severed connections with his employers and returned to Glendale, where he is living with his parents. After completing a four weeks' course at the Accountants' Educational Institute of Los Angeles he immediately became affiliated with his present company.

William Collier For Ambassador To Japan

WASHINGTON, D. C., June 16.—The appointment of William Miller Collier, president of George Washington university, as ambassador to Japan, is under consideration at the White House and the state department, it was learned authoritatively today.

No definite decision on the naming of Collier to Tokio has been reached yet, however, although it is thought certain that he will get some diplomatic post.

Collier has been minister to Spain and was urged upon Harding as a diplomatic appointee soon after election. At one time he was said to have been slated for appointment to Rome.

Beck is a lawyer and served as assistant attorney general during the Roosevelt administration. Beck will be the technical legal official in the department of justice, representing the government in most of its important cases.

Offered \$50,000 But Declines To Accept

SAN FRANCISCO, June 16.—Alexander Meyer, Los Angeles banker, was enroute home today \$50,000 poorer than he might have been. He appeared before Superior Judge Graham to make a final settlement of the estate of Ludwig Zoebel. The account showed that the estate, valued at \$300,000 when Zoebel died had increased to practically a million under Meyer's administration. "You are entitled to at least \$50,000 fees," volunteered the court. "I am not asking any fee," answered Meyer. "Zoebel was my life long friend. I could not accept any money from his estate and I ask that no fee be allowed me." Judge Graham thanked Meyer.

Cotton Growing Will Be Subject Of Study
